To Whom It May Concern:

May this letter serve as a letter of reference for Brighton Ballet Theater and School.

Teachers from Brighton Ballet Theater and School have been teaching at JASA Senior Alliance Senior Center - Dancing Together Class. The seniors really are very enthusiastic about this class. Teachers are very knowledgeable and know how to explain the movements in simple terms.

I would highly recommend Brighton Ballet Theater and School to any agency or organization that needs dancing classes. Teachers from Brighton Ballet Theater and School are very caring and know how to work with the elderly population.

Sincerely,

A handwritten signature in blue ink, appearing to read "Olga Golovan". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
